MOTION FOR APPOINTMENT OF APPELLATE COUNSEL

Now comes the Defendant, Rosnil Ortiz, and respectfully requests this Honorable Court appoint him appellate counsel. As grounds, trial counsel was hired for the limited purpose of handling the case through trial and has satisfied all obligations under his fee agreement with the Defendant. The Defendant is now sentenced and in custody in connection with this case.

Further, the Defendant states:

1. The Defendant is now indigent and without funds to hire an attorney for appeal.
2. A Guilty Finding following his Trial was entered.
3. Trial Counsel requested to withdraw under separate motion.
4. In December 2019, the Defendant was sentenced.
5. A Notice of Appeal has been filed for the Defendant.
6. Justice dictates that such counsel be appointed to handle the appeal and the case should be referred to CJA.

WHEREFORE, the Defendant respectfully requests that this motion be ALLOWED and that this matter be referred to CJA and counsel be appointed.

Respectfully submitted,
ROSNIL ORTIZ,
